

# Ray Enterprise Pricing Sheet

Effective date: March 5, 2026

## Provider and Product Overview

### Provider

**Name** AeroArt  
**Contact** 1angelgeorgiev@gmail.com

### Product

- Ray (Windows desktop software)
- Typical outputs: DAT, GRD, SRF, PNG, PDF
- Dependency: Golden Software Surfer (customer-provided license)

## Commercial Inputs Required for Enterprise Quote

1. Client legal entity name
2. Billing country and currency
3. Number of branches/locations
4. Seats required per branch (default branch plan includes up to 2 seats)
5. Required support scope (standard/extended)
6. Onboarding requirements and target go-live date

## Billing Model

**Typical enterprise range:** EUR 1,000-5,000 per month total contract, depending on branches, seats, onboarding, and support scope.

- Recurring monthly subscription per branch/location
- Auto-renew monthly unless canceled with one (1) month written notice
- If the next renewal date falls within the notice period, that renewal remains payable and cancellation applies from the end of the following full billing cycle
- Taxes handled by the payment processor (Stripe or Paddle) where applicable

## Support Process

---

- First response target: within 2 business days
- Support hours: 10:00 AM - 7:00 PM Eastern European Time (EET/EEST)
- Cancellation and support channel: 1angelgeorgiev@gmail.com

## Notes

---

- Final amount and currency are confirmed in the private quote and checkout before purchase.
- Payment processing may be via Stripe or Paddle depending on checkout channel.
